## SPONSORSHIP INFORMATION

---

As Gothamites we work and live by the motto: **“It’s better to give than receive, but what goes around comes around.”™** This motto enables us to make a difference for our clients and customers, our families and friends, the organizations we support, our communities and the world around us.

On **December 4, 2014** (at 12:30 p.m. at NYC’s famed Friars’ Club) we’re planning to make a difference in our communities and the world as we celebrate people and organizations, Gotham members and non-Gotham members, who are working in ways big and small; for-profit and not-for-profit, to make the world a little **greener**. We will do this by recognizing people, businesses and organizations that work on environmentally sustainable initiatives and projects. How are we going to do this? By awarding the **Gotham Green awards®!**

We have three categories of recognition:

- **Green Business or Green Initiative** – For businesses whose core message and products are green based and/or sustainable.
- **Green product, program or building** - For businesses that have produced, planned or created a singular item that is green and sustainable.
- **Green/Sustainable non-profit organization** - For non-profit organizations that focus on or have created a program or product that they believe contributes to the global sustainability effort.

### What are the awards?

They haven’t all been finalized yet, but... they include a free Gotham membership for one year (which has a value of up to \$950), recognition and the awardees’ ability to use the award logo on their materials.

### How can I support the Gotham Green Awards® with a sponsorship?

If you are a member in good standing of Gotham City Networking, Inc., then you can either
